*Podcasting can be a powerful tool to showcase your library and enhance its services. It can help make your library more relevant to your users and provide more interactive communication and collaboration with them.*

Join us for a free informative workshop for librarians on the basics of creating audio and video podcasts presented by **Dr. Sara Marcus, Electronic Resource & Web Librarian, Queensborough Community College, CUNY**

**Where:** Queensborough Community College, CUNY  
Kurt R. Schmeller Library, Room 318  
222-05 56th Avenue, Bayside, NY 11364

**When:** November 21 from 10:00 am – 12:30 pm  
(Breakfast will be served from 10:00 am – 10:30 am)
