The IDS Project is a unique cooperative of 62 academic and research libraries throughout New York. Going beyond reciprocal resource sharing, the IDS Project has become renowned for its open source software, ILLiad enhancements, and mutually supportive community based on best practices. Further information can be found in the detailed description below or at: <http://www.idsproject.org/>.

This meeting is open to members of ACRL/NY and WALDO. Refreshments will be served. You may find information on becoming a member of ACRL/NY at: <http://www.acrlny.org/membership.htm> . Please RSVP to Maureen Weicher at weicherm@stjohns.edu.
